Park Description

Bungalow Caravan Park is located in the heart of North Wales' tourist hot spot. Situated in Kinmel Bay, on the North Wales Coastline, this holiday park is the perfect location if you're after beach holidays full of entertainment and fun.

Bungalow Caravan Park is set within 1 acre of land, with holiday homes set around a central grass recreational area. As the park is totally enclosed and flat, it is a safe haven for those with children or those who find it particularly difficult to get around.

The tourist hot spot of Towyn is only a 5 minute walk from the park. Here you'll find a funfair and amusements, shops, markets, go-karting as well as a sandy beach and many pubs and eateries which feature marvellous evening entertainment most nights.
