Park Description

Rowen Holiday Park is situated on the West coast of North Wales, near the Welsh town of Barmouth. The park can be found off the main road, down a quiet tree lined meadow, just minutes from the village of Tal y Bont. Set next to a small mountain stream, Rowen Holiday Park is the perfect location for an escape away from home.

Nearby the park, only 800 meters away you'll find the beach. This beach has been recognised as one of the loveliest and cleanest beaches throughout Wales. It is reached from the park via a path through farming fields and sand dunes. Afternoons can be spent here, taking the time to relax and unwind, only minutes from the park.
