Park Description

Situated on the Wirral in Merseyside, Wirral Beach Caravan Park can be found just over three miles from Meols on the stunning Wirral Peninsula. Wirral Beach Caravan Park is a privately run holiday park, with all caravans on site being owner occupied with a no letting policy. This is to give you as the owner, peace of mind of your holiday home when you are not at the park.

Wirral Beach Caravan Park is very aptly named, thanks to its location. The park has direct access to Meols beach, providing spectacular panoramic sea views.

Situated on the Wirral, Wirral Beach is in an excellent location for you to explore North Wales and even Liverpool. A short car journey will take you across the England border and into Wales. Whether you fancy a day out exploring the stunning natural scenery Wales has to offer in Snowdonia or a spot of retail therapy and tourist attractions, North Wales has it all for you. Or if you fancy a trip across the Mersey, Liverpool has a whole host of activities to keep you entertained, from the famous Albert dock, museums, art galleries and fancy wineries and restaurants.
