Park Description

Pant Gwyn Farm Caravan Park is a family run holiday park found on the outskirts of the coastal resort of Abersoch on the Llyn Peninsula. Set in what feels like miles of rural countryside, the park offers stunning panoramic views of its surroundings, of both the rolling hills and mountains which shelter the park but also picturesque sea views toward Abersoch.

The Park provides owners with a tranquil and peaceful haven, with all caravans being privately owned with no sub-letting, giving you peace of mind and a safe and secure park, whilst you're at your caravan but also once you have gone home.

This area of North Wales is often famed for its micro climate which can be felt most during the summer months. Enjoy the warmer weather on some of the most stunning beaches in the region, whilst trying your hand at some water sports, whether you enjoy water skiing or snorkelling, there's something for everyone to give a go.
