### Park Description

Set between the towns of Conwy and Betws y Coed, Fron Francis Caravan Park can be found nestled in a sheltered wooded hollow in the hillside of the small town of Llanrwst. The park is a one with nature, surrounded by oak, spruce, ash and silver birch, making it an ideal setting for natural wildlife to thrive. The park is also a haven for birds, where you can catch glimpses of woodpeckers, flycatchers, buzzards and occasionally a red kite.

Fron Francis is a truly minimalist park, with no bar, no club, no amusements or swimming pool to be found. Instead it acts as a perfect retreat to get away from the stresses of everyday life. The small town of Llanrwst is only a short distance away, where you'll find plenty of shops, restaurants, pubs and takeaways, to satisfy all your needs.
