Park Description

Ty Gwyn Park is a third generation Family-run, quiet, friendly Park which is conveniently located on the North Wales Coast. We are lucky to have direct, step free access to the Wales Coastal Path and short walk to the beach. We are situated near Abergele and within easy access of Cheshire, Manchester and Liverpool.

The Park has lots of large grassy areas and plenty of railway sleeper beds with lots of plants throughout. We have been awarded the Silver David Bellamy Conservation Award and are aiming for Gold next year by encouraging more wildlife to the Park, planting more wildflowers and trees and providing opportunities for our customers to recycle. Ty Gwyn is a great place to relax- with coastal walks on our doorstep and delicious meals to enjoy at our on-site Swn Y Mor Restaurant and Bar.

We also have a our lovely on-site Restaurant- Swn Y Mor (Sound of the Sea) with a smart bar area. It is a great place to relax for breakfast, lunches and supper. We also serve freshly made coffees, homemade cakes and milkshakes. We have some great beers on draft and plenty of everyone's favourite spirits including local gins!
