Park Description

Gorse Hill Caravan Park is an exquisite choice of Caravan Park and one of North Wales' best kept secrets. Situated down the Conwy Valley, Gorse Hill Caravan Park is hidden up a winding lane which opens up to give marvellous views across the Conwy estuary.

On site at Gorse Hill you'll find a wonderful restaurant, 'The Manor', a Victorian Manor House which has been converted into the spectacular restaurant it is today. With warm hospitality, delicious food and real fires, there no better way to spend an evening at Gorse Hill. Outside, warm evenings can be spent enjoying a drink on the terrace overlooking the stunning views of the Conwy River or enjoying a game of crown green bowls.
