Park Description

Pensieri Caravan Park is a stunning holiday park found on the west coast of Anglesey, near the popular seaside resort of Rhosneigr and Ty Croes, in the Welsh village of Llanfaelog. Pensieri is the perfect choice of holiday parks if you are looking to get away from it all, in a relaxing and peaceful environment.

Pensieri has direct access to the beach, making it a hit with families and couples who are looking to enjoy the stunning beaches we have on offer here in North Wales. The park also benefits from having stunning sea views from a majority of plots, meaning you'll wake up every morning being reminded that you are on holiday.

The park is close to all local amenities including shops, pubs and eateries, making your life a whole lot easier whilst staying at your home away from home. There are also excellent transport links which run across the Isle of Anglesey, making it easier for you to discover the island for yourself.

Whether you want to visit the natural scenery of the island, from its stunning beaches and magnificent forests or delve into the history that the island is home to, from Beaumaris castle to the South Stack Lighthouse near Holyhead, there truly is something for everyone to enjoy.
